LEATHER GOODS Louis Vuitton

» The French luxury brand has thoughtfully reinterpreted its tried-and-true *LV* logo for fall, as seen in this briefcase with black leather insets (shown with Louis Vuitton suit and leather gloves). The case is part of a new series of leather accessories that are soft and slim to complement the season's more relaxed clothes. (louisvuitton.com)

SPORT COAT

Isaia

» When it comes to sport coats (right), Isaia is the go-to source for the greatest lineup of colors, patterns, and styles, and detail remains the Neapolitan brand's signature. TOTAL BREAK DOWN

This is going to blow your mind: You know those suits hanging in your closet? No one's going to stop you from wearing the pants from one with the jacket from another.

Rock that irreverent yet sophisticated perspective by mixing up pieces from complementing suits.
