## BODICE OF WORK

Shifting the dial on overly masculine suiting as a style punctuation point, the corset claims its place as the female-centric power piece. Less about historical references and more a sculptural centrepiece, its structure adds visual strength.

RALPH LAUREN top and pants, both P.O.A. MONPHELL hat, \$590. VAN CLEEF & ARPELS chains, from top, \$3,100, and \$2,250, and pendants, \$4,750 each. Earrings at top, model's own, worn throughout.
